

Dennis Roesle has been a true blessing to our family from the moment he met with us in our home until the day my daughter committed to the University of Mobile. I can remember Dennis telling us from the onset that we didn't need his services in order for Carley to get a volleyball scholarship that she could earn that on her own merit. While this may be true, we chose to invest in Roesle Sports Consulting and I'm very thankful we did. There is no way we could have done it without his guidance.

Whenever we had any questions or concerns, Dennis was always helpful and quick to reply.

Carley's Skills Video and her Highlight Game Footage Video were professionally made by Dennis. We were very pleased and both videos received a lot of views.

My husband and I will always be thankful for everything Dennis Roesle has done for our daughter.
